- **VTCT Level 3 Award in Invigilating Tests and Examinations**

The VTCT Level 3 Award in Invigilating Tests and Examinations is a vocational qualification that has been designed to prepare you to invigilate internal and external tests and examinations.

Throughout this qualification you will develop the knowledge, understanding and skills required to prepare examination rooms and resources, prepare learners for tests and examinations, implement invigilation requirements for internal and external tests and examinations and end tests and examinations. You will also learn about policy and the procedures underpinning the conduct of tests and examinations.
